The screenshot shows a mobile application interface with a top navigation bar containing icons for Home, Account, Trips, Matches, Tools, and Notifications. Below the navigation bar, there is a notification: "Note: You have carpool invites waiting, please respond! Invites are highlighted in yellow." Below the notification are buttons for "Match Me" and "Matching paused".

The image illustrates the process of accepting a carpool invite. It shows a notification in the top left corner: "Note: You have carpool invites waiting, please respond! Invites are highlighted in yellow." Below this are navigation buttons: "Match Me" (highlighted), "Matching paused", "My Trip", "Options", and "Matches".

The main focus is a yellow carpool invite card titled "They invited you, Your response?". The invite details are: "Glenn", "Carpool Ontario", "Origin A to Destination B", "M Tu W Th F", "8:00am - 5:00pm Return", "Travel mode: Carpool", and "Carpool role: Driver or Passenger". A red callout "1" points to the "Details" button on the left. A red callout "2" points to the "Accept" button.

Below the invite card is a chat window. The chat history shows: "Anum" sending "hey" at 12:25 pm, "Anum" sending "Invite Accepted" at 12:23 pm, and "Anum" sending "Invite Sent" at 3:17 pm. A "Send Chat" button is visible above the chat input field. A "Block User" button is at the bottom right of the chat window.

To the right, a "Carpool Partner" card for "Glenn" is shown, with a "Details" button. A red callout "3" points to this "Details" button. A dark blue callout box at the bottom right contains the text: "Use chat to exchange email addresses and confirm a meeting place or time."

Thank You!
